Il Mondo di Gaia è in grado di far diventare realtà la tua idea!

Può infatti aiutarti e, partendo dalla tua idea, progettare il disegno che hai in mente, consigliandoti al meglio al fine di ottenere il prodotto di cui hai bisogno.

È anche in grado di personalizzare e modificare disegni già esistenti, variando le dimensioni o alcuni dettagli, per adattare il più possibile il disegno alle tue necessità.

Il formato massimo di lavoro è di 49x69 cm, per questo motivo Il Mondo di Gaia è in grado di realizzare sia progetti di dimensioni ridotte che elevate.

Puoi richiedere variazioni agli articoli in questo catalogo, come per esempio materiale o misure differenti. Il Mondo di Gaia valuterà la fattibilità del progetto e ti farà un preventivo specifico secondo le tue esigenze.
